I would like to thank all that attended the 14th Installation of Officers for Pike Lodge, and a special thank you to all the Brethren, Jobies & DeMolay for their participation in the installation ceremonies.

NOTICE FOR POSTING - see attachment

A. Sam Braun, Joseph Anderson & William Farn,

Our Father, we begin a New Year's work and help us, we pray, to make it the best year so far in our history. May we never fail to show our love for Thee and for each other as we serve our organization.

SPECIAL EVENTS

January 13, the Kenosha Shrine Club will have the honor of conferring the M.M. degree on F.C. Donald Malzahn so be sure to attend this event.

May we each feel the deep sense of duty that goes with our obligation for service, and may we never fail to do our best. We praise Thee for all past blessings and we thank Thee.

February 12, we will have our annual Sweetheart Dinner at the lodge. Our entertainment will be two films, "The Quest for Light" and "It Couldn't Be Done." Two fine films and a good ham dinner with all the trimmings will be served family style. Bring the family. Be sure to mark this date on your calendar.

Amen.

Bethel No. 77, International Order of Job's Daughters

INVITATION

Queen's Quotes:

This month wrapped up six months of hard work and fun.

December 11 was our Royal Day. We had visitors from Bethel 61, Union Grove; Bethel 30 Kenosha, our P.H.Q.s from Bethel 77. Although every office wasn't filled, we still had a much better turnout than was expected. Because of the holidays, our December 27 meeting has been changed to January 3, 1972. This will be the last meeting of my term and also Queen's Report Day.

I would like to thank all the many people who have helped me along the way, reminded me of what I forgot and helped me with what I remembered. I would like to thank the girls for doing a great job on their parts and putting up with me during the rushed minutes before a meeting. I would especially like to thank the Irvines for being so patient with me the many times I forgot to get my news in on time. You never really realize how much there is to do and what it's like until you get to be Queen and by then, it's too late to catch your breath. That's probably why Queens turn blue many times before the term is over.

At this time I would like to congratulate Cindy and her officers. I know you'll have a great term. I wish you all the luck in the world on your projects, meetings and endeavors. Have fun and take it easy.

HAPPY NEW YEAR!

Jobie love,

Kathy, H.Q.

CONGRATULATIONS to Dad Roeder on being installed as High Priest of Kenosha Chapter No. 3, Royal Arch Masons! Our best wishes are extended to him for a wonderful year as their presiding officer.

.....
BETHEL 77 CAROLERS:

You are to be commended on your gracious performance. As we were about to celebrate the birthday of our Lord, there is no finer way to pay tribute to Him than in song. May God bless you and your wonderful Guardian.

I would like to invite everyone to attend the Job's Daughters Installation of Officers and Choir on Saturday, January 15, 1972, at 7:30 p.m. at Pike Lodge. Everyone is welcome and a reception is to follow.

A special reminder to the girls that there is a 9:30 a.m. practice at the lodge on January 15. Please be there on time. Line officers are to bring two dozen cookies, preferably to the morning practice. All other girls are to bring 50¢ toward the cost of sandwiches.

Jobie love,

Cindy Mathews,

Honored Queen-Elect.

GUARDIAN'S CLEANINGS:

Christmas is over and a New Year is starting. I hope you all had a nice Christmas and that your new year will be both happy and successful.

The Jobies who went caroling were very good and I think we all received a rich blessing from going. Thanks to Mom Grota for the nice lunch when we got back.

Don't forget the Tobaggan Party on Sunday, January 16. If you are going your money must be in by our Jan. 3 meeting. The cost is \$2.00 per girl.

Thanks to all the girls who worked on Saturday, December 11, for Southport #343 Installation. I received many compliments on your work and I was very proud of you.

Also thanks to Kathy and Donna for serving at Dad Roeder's installation.

We are happy to be honored by Pike DeMolay in selecting our Honored Queen, Kathy Grota, as their Chapter Sweetheart. Good luck to Kathy in February at the State election.

Mom Roeder, Guardian

PIKE CHAPTER, ORDER OF DE MOLAY

NOTICE FOR POSTING

HALLELUJAH!! Pike Chapter, Order of DeMolay, has finally reached its quota for the year, and not a minute too soon. But just because we barely made it, guys, that doesn't mean that you can let up any. Keep those new members coming because we need them!!

In the absence of the Master Councilor, Bill Comer, I initiated a new member on December 22. Things didn't run too smoothly—missed Bill, I guess. We encountered some difficulty but our efforts were not in vain. Also, during the same meeting, P.M.C. Courtney Lettsome announced his resignation of the Chapter. It's too bad we had to lose the greatest, most active DeMolay in Wisconsin. Corky is truly an excellent DeMolay in all fields.

The Mothers' Club was installed on December 15. Things went great because Dad George Andrews was in charge. I would like to thank the Mothers' Club for the refreshments at the DeMolay-Jobie Christmas Party I gave. I appreciate their work because no one was assigned to serve that night. It was a short notice. I hope everyone at the party enjoyed themselves. They seem to have.

Don't forget bowling every Sunday, guys. There will be bowling on January 2. The two Pike teams are tied for third. One of us is bound to take first so see you there and

Earl Buckelew,
Senior Councilor

Beginning Saturday, January 8, the Lodge will be open for Posting each Saturday. The hours will be 9 a.m. until 11 a.m. Brothers who cannot make the regular Tuesday night class or work different shifts may receive instructions at this time.

Brothers now receiving outside posting will be required to come before the Posting Committee for examination before he may take his exam.

Many books have not been corrected and certain sections have been dropped causing some confusion to those who receive outside help. In order to help you learn only what is required, it is hoped that all E.A.s, F.C.'s and M.M.'s will take advantage of this opportunity.

Posting is our most valuable asset in Masonry. Without proper instruction one cannot reach his desired destination.
